

# Control™

Blood Glucose Monitoring System

The Control™ Blood Glucose Monitoring System is the fastest, the most accurate, and most reliable system on the market\*. Alternate site testing, tiny blood sample(1ul), and a fast 5 second test time will let you sleep comfortably at night.

## More Choices:

The Control™ system can test your blood glucose from your forearm, thigh, calf, palm as well as fingertips. Forget the pain and welcome comfort!

## 5 Second Test Time

Fast results in 5 seconds save you time and effort. Have more time to do the things you love. Have more time to enjoy life!

## Quality and Value

Control™ Meter and Test Strips are covered by Medicare, Medicaid and most insurance companies. Even if you do not have coverage, Control™ is the best quality and value on the market for you.

## Our Commitment

Our goal is to provide you with a high-quality, easy to use product, and superior customer service. Our customer service center will be happy to support you and answer any questions 24 hours a day, 7 days a week at 866-216-5308 or visit us at [www.usdiagnostics.net](http://www.usdiagnostics.net) Servicio al Cliente en Español disponible.

## Accurate and Reliable

The Control™ system uses bio-sensor technology and utilizes capillary action which is up-to-the-minute technological innovation. Since it provides you with the most accurate and reliable results, you can finally be confident in your meter.

## Make living with diabetes easier

Life is hard enough. With simple-to-use Control™ Blood Glucose Monitoring System, you can live your life to the fullest.
