

WELLlife™

COVID-19 Antigen Home Test

FDA 510(k) for Over The Counter Use.

An accurate at-home antigen test provides a fast and reliable way for detecting the COVID-19 virus using nasal swabs from individuals showing symptoms. Ideal for quick checks!

Why WELLlife™ COVID-19 Antigen Home Test is the superior choice:

- **Easy to use and rapid results**

A single nasal swab offers accurate results in just 10 minutes, eliminating healthcare visits and reducing virus spread, ideal for the elderly and parents with young children.

- **Reliable and accurate**

The test shows great PPA and NPA for COVID-19 targets, with over 84% accurate for positive tests and over 99% accurate in negative tests.

- **Pre-loaded 12-pack retail holder design**

Retail holders come pre-loaded with a total of 12 OTC 1/2ct packs for a total of 12/24 tests. Convenient for retail and pharmacy countertop displays or storage.

- **High quality**

WELLlife draws on over 30 years of medical diagnostics experience to deliver reliable, user-friendly testing solutions, backed by strict quality standards across our supply chain.
