

STATEMENT

July 9, 2025

To Whom It May Concern,

Hangzhou AllTest Biotech Co., Ltd. hereby announces the extension of the shelf life for its Multi-Drug Rapid Test Panel (Cat. No. DOA-154) from 24 months to 27 months.

Originally launched in July 2014 with a 24-month shelf life, the product has undergone continuous stability testing. Results confirm the product maintains stable quality and performance for up to 27 months when stored and handled according to specifications.

This 27-month shelf life applies to all production lots listed in below:

Multi-Drug Rapid Test Panel

DOA-154: DOA23080322, DOA23080323

For further details, please contact Hangzhou AllTest Biotech Co., Ltd. At info@alltests.com.cn.

Yours Sincerely,
