

Faecal Occult Blood Home Test

The Fastep fecal occult blood test is an at-home screening used to find the tiniest traces of blood in stool, which is a sign that something is wrong in your digestive tract.

Health Canada Approved
For Self-testing Use
Device Classification: Class III

 **Results in 5 minutes**

 **High accuracy**

 **Easy to use test in the comfort of your home**

WHY IS FOB TESTING NECESSARY?

Bleeding in the digestive tract may be an early symptom of colorectal cancer, polyps, or ulcers. The Fastep Faecal Occult Blood Home Test is a proven screening method to help catch problems early - before symptoms become serious.
