

COVID-19&Influenza A/B&RSV Antigen Pen Home Test

The Next Generation of Home Self-Testing

COVID-19

FLU A

FLU B

RSV

ASSURE TECH transforms respiratory testing from a traditional cassette workflow into a modern integrated pen-style experience. Designed specifically for pharmacy retail, families, seniors, and first-time self-test users.

Simpler

Cleaner

Easier

WHY PEN-STYLE TESTING STANDS OUT ?

Traditional Cassette Tests

- ✗ Multiple handling steps
- ✗ Liquid transfer
- ✗ Counting drops
- ✗ Complicated preparation
- ✗ Higher user error risk
- ✗ Less consumer-friendly

VS

ASSURE TECH Pen Test

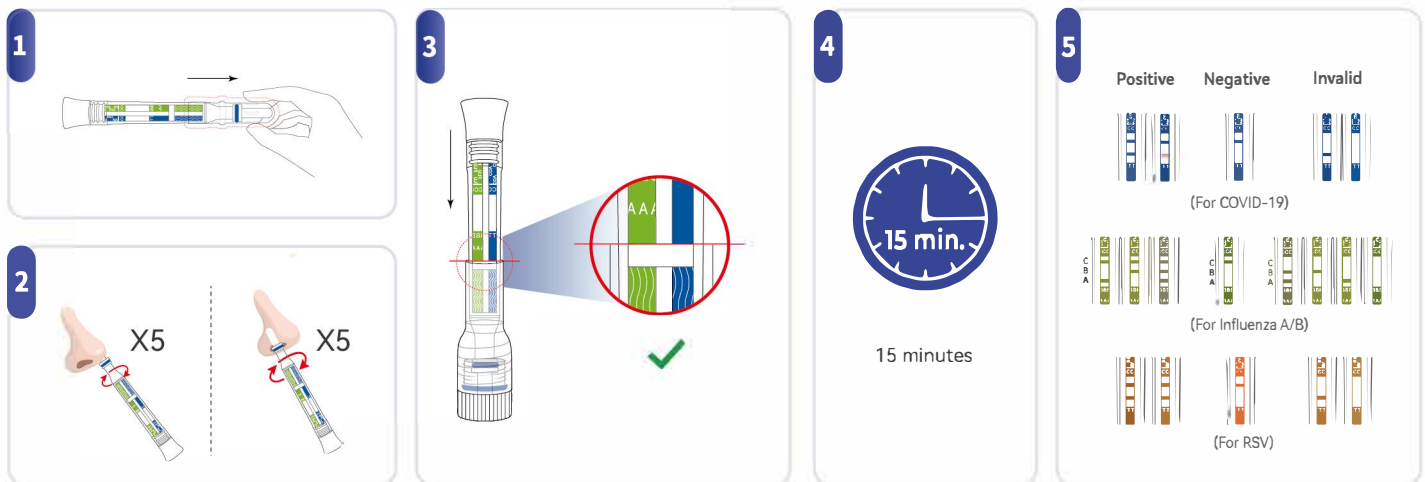

- ✓ Integrated pen design
- ✓ Simple all-in-one workflow
- ✓ Cleaner operation
- ✓ Easier sample handling
- ✓ Reduced user error
- ✓ Better home testing experience

DESIGNED FOR MODERN HOME HEALTHCARE

- ✓ *Family-Friendly Design*
- ✓ *Ideal for Seniors*
- ✓ *Convenient Home Self-Testing*
- ✓ *Retail Pharmacy Ready*
- ✓ *Winter Respiratory Season Screening*
- ✓ *Workplace & Travel Readiness*
- ✓ *Easy-to-Read Results*
- ✓ *Health Canada Authorized*

TEST PROCEDURE No Liquid Transfer | No Drop Counting | No Messy Handling
