Section 1 – Product and Company Identification

1.1 Manufacturer Information
Quidel Corporation
10165 McKellar Court
San Diego, CA 92121
Phone: 1.800.874.1517
Fax: 1.858.453.4338
Web: quidel.com
E-mail: gehs@quidel.com

1.2 Product Information
Product Name: QuickVue iFOB Test (Catalog #: 20194, 20196, 20201, 20204 and 20205)
Recommended Use: The QuickVue iFOB (immunochemical Fecal Occult Blood) Test is an immunochemical device intended for the qualitative detection of fecal occult blood by laboratories or physicians’ offices. This test is intended for professional and laboratory use only.
Components: Kit is composed of individually wrapped test Cassettes, specimen collection tube and return kit.

Section 2 – Hazards Identification

2.1 Emergency Overview
Significant health effects are not anticipated from routine use of this kit when following the precautions listed within the kit specific Package Insert, Universal Precautions and general safety laboratory practices. None of the components listed within this kit are considered hazardous as defined by the Occupational Safety and Health Administration (OSHA), the Canadian Workplace Materials Information System (WHMIS), or the European Union (EU) Directives.

When working with this kit we always recommend that employees wear appropriate personal protective equipment (PPE), including gloves, a lab coat and eye protection, and follow good laboratory hygiene practices to avoid any and all accidental exposure to workplace materials. Universal Precautions should be followed when working with any potentially infectious material.

Section 3 – Composition / Information on Ingredients
